

# Teaching Literacy In A Digital World

How have advances in technology impacted your classroom instruction?

Are you interested in using technology more effectively for literacy instruction?

Join VCU School of Education to learn about current instructional strategies and research related to the use of technology in PK-12, college and adult education settings.

**SATURDAY, MARCH 14, 2015**

1:00 PM - 7:30 PM, ACADEMIC LEARNING COMMONS

VCU Monroe Park Campus, 1000 Floyd Ave.

\$75 Registration Fee; \$40 for Students (includes dinner)

Registration information and submission of poster session proposals can be completed at [www.ocpe.vcu.edu/digital-literacy](http://www.ocpe.vcu.edu/digital-literacy)

Contact Liz Fillman in the Office of Continuing and Professional Education with questions.

Phone: 804-827-9341 or E-mail: [ewfillman@vcu.edu](mailto:ewfillman@vcu.edu)

For additional anniversary celebration events, visit [soe50.vcu.edu](http://soe50.vcu.edu) or connect on social media #soe50

CELEBRATING 50 YEARS  
of SHAPING EDUCATION

**VCU** School of Education

Make it real.
