

Announcement of Amendment to the FY 2018-2019 Funding Opportunity Announcements (FOAs) for the

- **Bankhead-Coley Cancer Research Program,**
- **James and Esther King Biomedical Research Program, and**
- **Live Like Bella Pediatric Cancer Research Initiative**

In response to delays many applicants have experienced as a result of Hurricane Michael, the Florida Department of Health has extended the deadline to submit the Main Application for each of these programs by three days.

For Bankhead-Coley, King, and Bella, the deadline to submit the Main Application is now **5:00 p.m. EST, October 29, 2018.**
