## East Campus Visitor Parking:

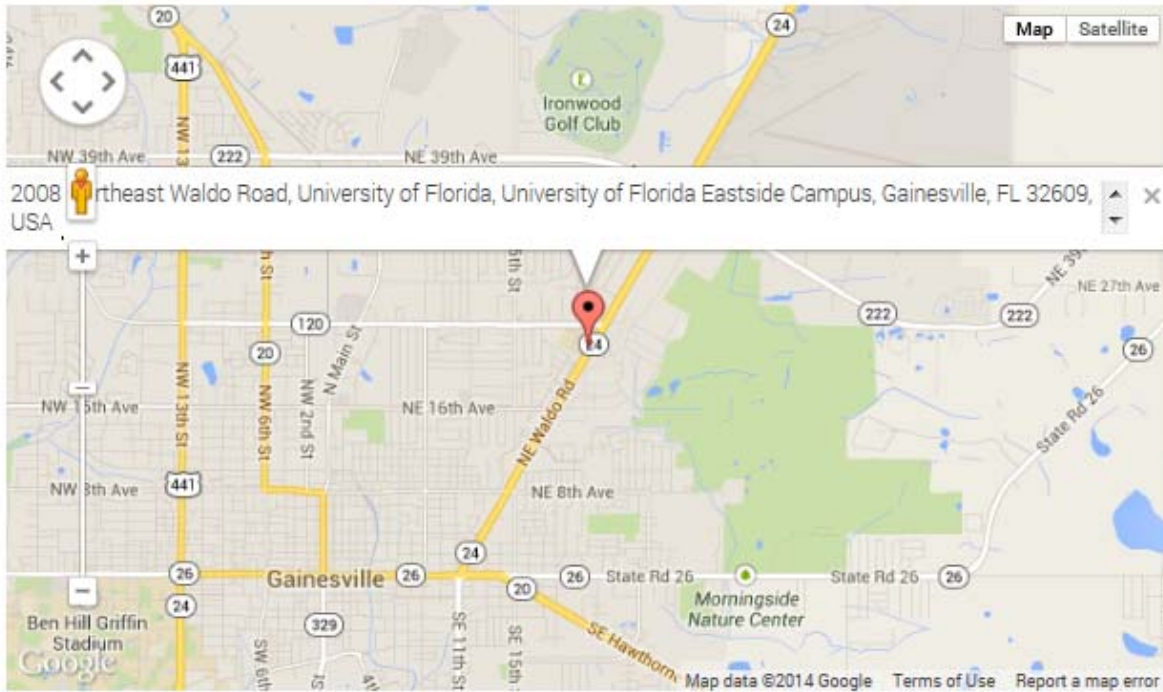

Our lot requires a UF parking decal. Any UF decal is acceptable. If you do not have a decal, there are two options available for visitor parking:

- Free visitor parking is available in the 44-space area outlined in the area marked below. No decal or permit is required, UF employees and students are not allowed to use this area.
- Departments can purchase one-day permits from TAPS at a cost of 2\$ each, allowing the visitors to park in the decal restricted areas.

The 44 space visitor parking will be identified with signage reading: **Visitor Parking Only. No Permit Required.**

**Directions from Main Campus:** Head East on **University Ave/FL-26**. Turn Left onto **NE Waldo RD/FL-24**. East Campus will be on your left before NE 23<sup>rd</sup> Ave.
